VERY IMPORTANT!!!!

Privileged Information!!!

All personal information contained in this directory is provided for the exclusive and restricted use of the National Society Descendants of American Railroad Workers.

It is a violation of the privacy rights of members to release the names, addresses, telephone numbers or e-mail addresses of the membership except for official use within the Society.

In order to prevent unwanted e-mails, please limit e-mail use to the National Society Descendants of American Railroad Workers only!

**Please report all changes/corrections to the
National President at
nsdarw@gmail.com**

Objects and Purposes

The objects and purposes of this Society are:

- To identify and honor the ancestors of members who were "railroad workers" or contributed to the building, maintenance, or administration of a railroad, commuter rail, or a street car system in the United States, Mexico or Canada during the period between March 1, 1825, and December 31, 1950.
- To collect and share records, documents, photographs, articles pertaining to the history and genealogy of "railroad workers" on the Members Only Society webpage.
- To engage in related educational, charitable, historical, genealogical, patriotic, literary and social activities relating to the railroad and its employees.

Motto

The journey is just as important as the destination.

The National Society Descendants of American Railroad Workers was established on February 10, 2021 in Herndon, VA, by husband-and-wife team, Amanda Morris and Christopher Bowen, to honor and preserve the legacy of their ancestors whose hard work enabled the expansion and prosperity of our country.

It is optional to purchase both the ribbon and insignia (2 sizes) on the Citypride website at: <https://cityprideltd.com>

- Ocean Blue: represents the Pacific and Atlantic Oceans
- Steel Gray: represents the thousands of miles of rails that connect the coasts
- Scarlet: represents the sacrifices made by our ancestors to forge and operate that connection

When attending a meeting, do not wear both the previous insignia and the updated one.

Meetings

All meetings shall be planned and called by the Executive Board.

Annual Meeting. Usually held in March. The purpose of the Annual meeting of the Society shall be for receiving reports, approving the annual budget, planning, and promoting projects, election of officers in an even-numbered year, election of a nominating committee in an odd-numbered year, and such other business as may be necessary. The Annual meeting may be held either in-person or via an electronic meeting platform.

Regular Meeting. Usually held in September. The purpose of a Regular meeting of the Society shall be for providing updates to plans and projects as set forth at the Annual meeting, sharing information about the Society, making decisions that require immediate attention, presenting programs relevant to our objects, and fostering camaraderie among members. Prospective members may be invited to Regular meetings. The Regular meetings shall be held via an electronic meeting platform.
